

At MVVS, we are very proud to host veterinary students on externship and preceptorship. We aim to get each student the amount of hands-on experience that they are comfortable with. There are times when the priority is to get the work done in a timely manner, but every effort is still made to get students as much hands-on experience as possible. We have worked VERY hard to build a great team here at MVVS, and we expect students to be team players as well. We reserve the right to dismiss anyone from externship/preceptorship who degrades the team atmosphere that we have built.

Please fill out this form and return it, WITH A RESUME and a signed liability release waiver, to kate@mvveterinary.com. Housing with a small kitchenette that is stocked with the basics is provided. If there are multiple students here at the same time, housing is only guaranteed for the first one who schedules with us – we can usually still find free housing for additional students if needed.

Veterinary Student Externship Request Form

Name:

School:

Anticipated Graduation Year:

Desired Externship Dates:

How did you hear about Mountain Valley Veterinary Services?

Please write a short synopsis describing your previous experience with large animals. Were you raised on a farm or ranch?

Please write a synopsis describing your interests and please outline 3 goals for your externship (Please note the seasonality of large animal work. For example, it will be difficult to get much preg checking experience in the spring and hard to get much calving experience in the fall):

What are your plans following graduation? Does the Mountain West interest you?
